1. No fee is associated with the training program from Dialysis Clinic, Inc.
2. The Kentucky Board of Nursing requires an application fee of \$70.00 and a Federal Background report, the cost of which is \$53.25. Both fees are non-refundable.
3. Our training program is 12 weeks of didactic/clinical hours and 160 hours for an internship. The total hours required for completion is 455.30, which is approximately 16 weeks.
4. Didactic and skills will be learned through lectures and demonstrations at DCI-Lexington.
5. Clinical skills will be practiced at your home dialysis clinic with an approved Kentucky Board of Nursing preceptor.
6. High school diploma or equivalent required.
7. Previous Healthcare experience preferred.
